ABOUT THE EVENT

Join us for an exceptional celebration of innovation and achievement in the chemical sector at ICC's 15th Annual Seminar on Recognizing Excellence of performance in various facets of Chemical Industry and the 59th Annual Awards Presentation Function. This landmark event will take place on 20 September 2024 in Mumbai and promises an inspiring and informative experience for the gathering.

15th Annual Seminar on Recognizing Excellence of performance in various facets of Chemical Industry

Experts of the Award-Winning companies highlight the various initiatives they have taken in respect of their achievements which prompted ICC to confer on them the Awards. The veterans of academia & research institutes and seniors officials of the Departments representing Government of India share their expert views and insights on pressing topics which makes the seminar more interactive, fosters knowledge exchange and inspire innovation. This seminar provides great networking opportunities with who's who of chemical industry and academic institutions.

59th Annual Awards Presentation Function

ICC Awards presentation function will honour the award winners for their outstanding achievements and contributions in various facets of chemical industry for the year 2023. Categories include New Process Design, Health, Safety, Environment, Conservation of Energy, Human Resource, Leadership Excellence, Responsible Care and Nicer Globe. The event will feature special recognitions for leaders who have made significant impact in the industry.
