This mega event of ICC is the Eighteenth in a row, attended by leaders of the Chemical and Petrochemical Industry. More than 700 High Profile delegates from India and overseas attend this Conference & Exhibition. The event provides an ideal platform for networking and for one-to-one meetings for discussing new business opportunities, joint ventures, investments, technology transfer and to explore opportunities for innovation, collaboration, and growth.

As every year, this year too, McKinsey & Company is the Knowledge Partner for this Conference and Exhibition.

Along with Keynote addresses by industry leaders and experts, technical presentations & Case studies, Panel discussions and Interactive sessions on chemical industry's most critical topics, this year's Conference and Exhibition will showcase innovative technologies.

## What's in Store for you

Sector specific Sessions focused on topics such as Electronic Chemicals, Battery Chemicals, Bio Chemicals, Specialty chemicals, Petrochemicals, Agrochemicals, Green technologies.

Fireside chats with inspirational leaders from the chemicals industry to gain insights into their growth journey

Themed Zones/ Exhibition covering specific topics such as Sustainability, Technology (Gen AI/ AR/ VR), Startups, New Age Industrial Parks etc.

CXO interactions between Companies

B2B / B2G Meetings with Key Partners / Exhibitors & Networking opportunities: 1-1 coffee chats with speakers

Sessions will also focus on Digitalization and Industry 4.0, Supply chain resilience and Risk management, M&A, Regulatory frameworks, Innovation & R&D, and Elevator Pitch by Start-ups.

- Market Intelligence Providers
- Consulting Firms
- Information Technology Firms
- Technology Firms
- Logistic Service Providers
- Distributors
- Overseas Associations
- Research Laboratories
- Academic Institutions

## ABOUT THE ORGANISER:

**INDIAN CHEMICAL COUNCIL**, established in 1938, is the apex national body representing USD \$220 billion chemical & petrochemical industries in India. ICC is the full member of International Council of Chemical Associations (ICCA) and is the Nodal Agency for “Responsible Care” in India.

ICC represents more than 80 % of Indian Chemical & Petro Chemical Industry with a membership of more than 500 Indian and multinational companies operating in India representing Organic & Inorganic Chemicals, Plastics & Additives, Petrochemicals & Petroleum Refineries, Dyestuffs & Dye Intermediates, Drugs & Pharmaceuticals, Agrochemicals, Fertilizers & Pesticides, Speciality Chemicals, Paints, Leather Chemicals etc. ICC also has the membership of Leading Logistics and Digitalisation Service Providers. ICC operates the CWC Help Desks under the guidance of NACWC, Cabinet Secretariat, Government of India.

## ABOUT THE KNOWLEDGE PARTNER

**McKinsey & Company**, is the world’s leading Management Consulting firm that helps organisations make distinctive, lasting and substantial improvements in their performance.
